

Evaluating the objectives, outputs and outcomes of small business policy regarding the age and location of a business

Recommended changes	Revised changes
<p>Comment RR1 - The sentence seems to be incomplete:</p> <p>South Africa's small business policy is mostly driven by the National Small Business Act (Act No. 102 of 1996) (RSA, 1996) as amended.</p>	<p>Sentence was amended as follows:</p> <p>The National Small Business Act (Act No. 102 of 1996) as amended, formed the cornerstone for South Africa's small business policy (RSA, 1996).</p>
<p>Comment RR2 – In terms of what? GDP growth?</p> <p>Gauteng contributes 34.5 % to the national economy, KwaZulu-Natal 16.5 % and the Western Cape 14.2 % (GED, 2013:1).</p>	<p>Sentence was amended as follows:</p> <p>Gauteng contributes a gross domestic product (GDP) share of 34.5 % to the national economy, KwaZulu-Natal 16.5 % and the Western Cape 14.2 % (GED, 2013:1).</p>
<p>Comment RR3 – Perhaps rephrase to say something like “...provide the ideal locations for entrepreneurs to establish their premises, or ... most successful areas / platforms for...”</p> <p>The reason for selecting these five metropolitan municipalities is due their major contributions to entrepreneurship (Herrington et al., 2010:44).</p>	<p>Sentence was amended as follows:</p> <p>The reason for selecting these five metropolitan municipalities is because they provide the ideal locations for entrepreneurs to establish their premises (Herrington et al., 2010:44).</p>
<p>Minor grammatical errors and language use were observed, which should be corrected.</p>	<p>The entire document was language edited.</p> <p>See attached Proof of Language editing letter.</p>
